# OUT THERE SAILING

YOUTH PROGRAM

The OutThere Sailing program offers a fantastic opportunity to experience sailing while having fun with your friends and to learn exciting valuable skills that will help you both now and in the future.

OutThere Sailing is the ideal way to have fun and get active on the water. The program is aimed at 12-17 year olds who would like to try sailing, windsurfing and/or paddle boarding. There are also fun powerboat and keelboat experiences along the way. The aim of the program is to have fun, spend time with friends and learn new skills. All OutThere Sailing programs are delivered by qualified Australian Sailing Instructors.

The program is designed to keep friends together. So a person on OutThere Sailing 1 and OutThere Sailing 2 can sail together. OutThere Sailing has a focus on the social element of a club environment, simply enjoying time spent with peers whether that be on the water, on the beach or in the clubhouse..

Anyone can get involved, whether they have sailed before or not. You don't have to be a member of a sailing club and you don't need your own boat! All sailing equipment will be provided for you at your club or centre.
