

# SailPASS

Scan the code to get a SailPass

1. Scan the QR code with your smartphone camera or QR code reader
2. Complete the registration form
3. You will receive an email confirming your SailPass and your host club will also receive a copy of this registration

Why do I have to register?

Australian Sailing values safety. SailPass ensures all crew are registered with the club and are complying with the racing rules and regulations. SailPass will provide you with personal injury insurance cover for the day/s that you are registered.
